

Oktava Music Coverage Certificate

This certifies that the venue "Sample Café" (Sample Café Pty Ltd) uses the Oktava music service.

The Oktava catalog consists exclusively of original works whose rights are fully owned by the service. The catalog contains no works under the management of collective rights management societies.

Public playback of the catalog on the venue premises is covered by the Oktava service agreement and requires no separate payments to rights management societies.

Country of validity: AU

Account: owner@example.com

Date of issue: 17.07.2026

The playback log is recorded automatically and is available for export in the dashboard.
